The screenshot displays the Microsoft Excel 2013 interface. The active window is 'finances.xls [Compatibility Mode] - Excel'. The ribbon is set to 'CHART TOOLS' with the 'DESIGN' tab selected. The 'Chart Styles' gallery is open, showing various pie chart options. A 3D pie chart titled 'Spending breakdown' is visible in the foreground, showing categories like 'Motor: fuel', 'Cash withdrawal', and 'Groceries'. The background spreadsheet contains financial data with columns for 'Category', 'Payment', 'Deposit', and 'Balance'.
